

Dear Parents,

This is a short description of what your child will be doing by grade level as they progress through our religious school. I hope this will explain not only what they will be doing in the current year, but also what they have to look forward to as they continue their religious education.

Our TAPT (Toddlers and Parents Too) program is perfect for 2 and 3-year old's. Children and their parent(s) meet every Sunday morning from 9:00 – 10:30am where they experience learning about Judaism with singing, art projects, special snacks and child-centered activities.

Grades Pre-K through grade 2 meet from 9:00am to 12:00pm on Sunday mornings. These classes learn about Jewish holidays, Hebrew letters, bible stories and Torah from wonderfully creative teachers who have had years of experience with children of these ages. There is also a special program, "Torah Together" which brings students and parents together to participate in fun learning activities.

Grades 3 through 7 also meet on Sunday mornings from 9:00am – 12:00pm, and on Wednesday afternoons from 4:00-6:00pm. Here students begin a more intensive study of the Hebrew language learning to read and write Hebrew. They also learn Hebrew prayers for various daily and Shabbat services. By 7th grade they will be ready to prepare for becoming a Bar/Bat Mitzvah. Grades 3 through 7 have additional curriculum on Israel, an in-depth study of holidays, Jewish history, learning about their feelings toward God and why things happen as they do, being a "mensch," and in 7th grade discussing and analyzing Torah text and learning about the holocaust. Our Stella Kurland Wise Family Education Program for grades 3 & 4 meets once a month from 9:00am-12:00pm. The day begins with parents and students enjoying special themed activities together. Then parents are given a wonderful opportunity for adult study while their children go to class. Students in grades 5 through 7 experience some wonderful field trips. They may go to the Mayyim Hayyim (the mikvah), or on a Jewish scavenger hunt in Brookline, to name a few.

Our High School program for students in grades 8 through 12, meet on Monday evenings from 6:00 – 8:00pm. We begin with some time for socialization; pizza and ice cream, and then proceed to class. Grade 8 curriculum is comparative religions, our 9th graders prepare for their Confirmations and our 10th through 12th graders discuss current topics related to Judaism, ethics and values, social action and prepare for Jewish college life. Many of these students also belong to HEFTY, our temple youth group.

If you have any question about these wonderful programs please call me at 978-373-3861. I am looking forward to a wonderful year with you and your children.
